RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C. §371

Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notification of Missing Requirements mailed February 14, 2006 (copy attached), please be advised that the executed Declaration of the inventors in the above-identified patent application was filed in the U.S. Patent and Trademark Office on January 11, 2006, prior to receipt of the Notification of Missing Requirements. A copy of the previous submission including the PTO-stamped postcard acknowledging receipt is attached.

The Notification also indicates that a multiple dependent claim surcharge is also required. Applicants believe no such charge is required because a Preliminary Amendment eliminating the multiple dependent claims was filed with the original application on July 12, 2005, and is available on Private PAIR.

It is respectfully submitted that all items required in order to complete the requirements for acceptance under 35 U.S.C. §371 have been previously submitted. Therefore, applicants request withdrawal of the Notification of Missing Requirements and issuance of a Notice of Acceptance Under 371 with a §102(e) date of January 11, 2006.

Since applicants have previously submitted all portions of the application required under 35 U.S.C. §371 prior to the mailing date of the Notification of Missing Requirements, it is believed that no extension of time is necessary with this response. However, should any extension of time be required, applicants hereby petition for an extension of time pursuant to 37 C.F.R. §1.136(a). Applicants further authorize the payment of any such extensions of time to be made by charging Deposit Account No. 02-4800.

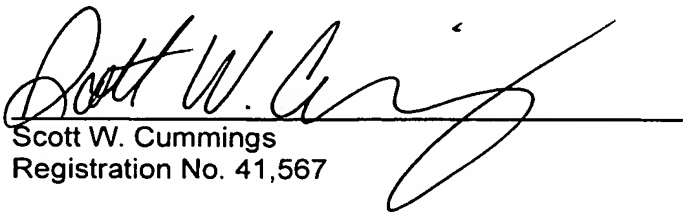

Should questions arise in connection with this response, it is respectfully requested that the Office contact the undersigned at the number indicated below.

Respectfully submitted,

BUCHANAN INGERSOLL PC
